

Virtual Legal

Debtworks offers access to an online legal team. This turn-key solution creates a virtual inhouse legal team providing you with the benefits of outsourcing and without the burdens an in-house unit can provide.

It is ideal for clients with a high volume of files needing legal action, providing you with:

- Access to Debtworks and Citylaw resources
- Reduced legal costs
- Reduced overall collection costs
- A flexible solution to deal with seasonal workload fluctuations
- Litigation management
- Drafting support

Contact us to find out more about our litigation support services.
